# FORWARD

(Or should we say Backward...)

Well, it's finally here. After all the planning and anticipating, it's backward we go. Right back to where we left off 40 years ago—except now we've got a lot more to talk about.

This is our night, a chance to rekindle old friendships and share a few decades' worth of stories. We hope this reunion brings us closer together for an evening and keeps us together for years to come.

But "yesterday"—now that's the true star of our show. Memories of our days at LHS. The fun, the pain. The daring deeds we share with our kids and grandkids (or hold back for the public good!). We fondly remember that wanderlust and hopefully still crave it today. I know I do. This is our night to bring back those days of fun, friendship and youth.

It took a lot of work, but we've actually accounted for over 90% of our class! Tonight we have over four times the attendance we had at our 30th Reunion. That's not just because we decided to skip the reunion company and do it ourselves—it's because you responded as passionately as we did. Ya gotta love that.

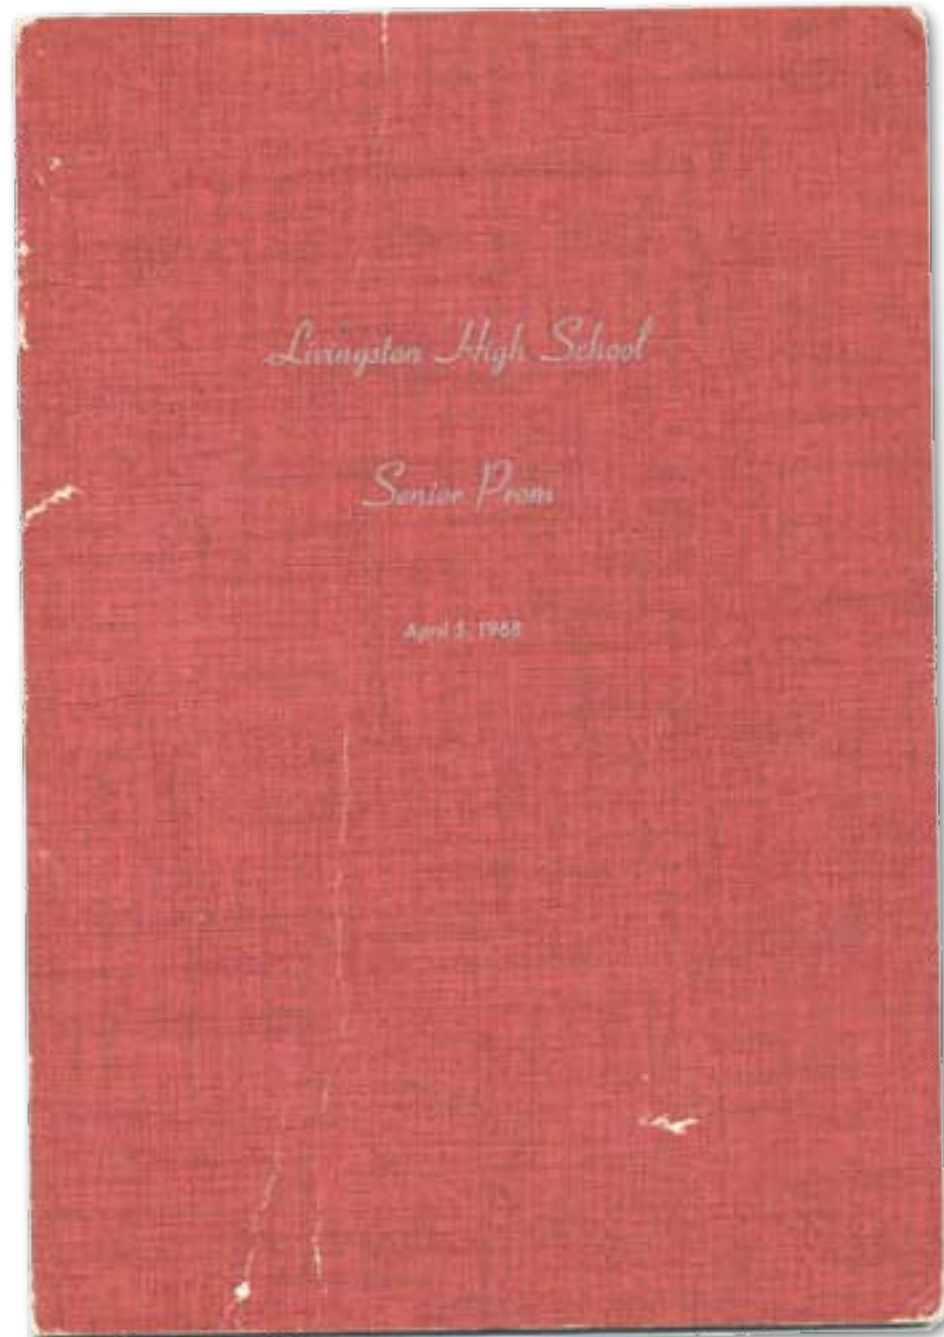

Our stage in life pulls us together too. Most of our kids are grown. We appreciate life a little bit more. Maybe now that we're in our late 50s (except you Roger Tsien!), after all of our experiences, we just love the idea of reuniting with those who set off in life with the same great foundation.

I know it took a lot of effort for many of you to get here, and every one of us appreciates it. As fun as tonight will be, we're already talking about plans for the 45th. Hey, what else have we got to do?

From all of us who helped put this evening together... have a truly happy and memorable 40th Reunion!

Chief Executive Reunionist

# LHS68.com forever

Unlike past reunions, this one is made to last. Our website will live on as a source of news, an ever-growing gallery of memories and a great way to stay in touch with your classmates. It's your job to keep updating your bio (and your email address) so everyone can stay informed. Do it!

We're definitely not going to wait another ten years to do this again. We're going to keep finding excuses to get together, starting with a Summer Dinner in 2009. Keep watching LHS68.com for details.

Last, if you ever feel the whim to know anything about anything, just get in touch with Chief Reunion Person Louie Fink (973.228.5859 or [notrealbright@gmail.com](mailto:notrealbright@gmail.com)).

Words can't express how happy we are to see you all come out tonight. Please travel home safely—and send us your photos and movies from tonight's event so we can post them on LHS68.com for all to see. Until our next gathering,

Health and happiness to all!

Your LHS68 Reunion Committee

All information presented in this booklet is based on the latest data at the time of printing. We made a Herculean effort to be accurate and published only the email addresses for which we had permission. But hey, we're 58 now. If we got anything wrong, please accept our apologies. We'll get it right next reunion!

**From:** Steve [mailto:toytooli@optonline.net]  
**Sent:** Thu 10/12/2006 12:34 PM  
**To:** Birkitt, Barbara  
**Subject:** a note circulating from Kenny and Louie

"DEAR 1968 LIVINGSTON HIGH SCHOOL GRADS : Hey, how are you? YOU LOOK GREAT!! It's only two short New Years Eves till 2008. Our 40th anniversary of saying good bye to L.H.S. and each other. We are just starting a grass roots movement to plan our 40th reunion. Ken and I are hoping to help make it happen and make it great. We hope other pockets of people may be doing the same. Our goal is to get early interest to snowball to a big successful party. Wanna come? Wanna help? PLEASE, forward this to anyone you know from the class. Contact either of us as soon as possible with info and any "whereabouts" of others. We'll keep everyone posted and look forward to all of your input. Thanks, and let's go!! Lou Fink email: [notrealbright@msn.com](mailto:notrealbright@msn.com) phone: 973-228-5859. Ken Segall email: [ksegall@mac.com](mailto:ksegall@mac.com) phone: 914-924-0714."

The email that started it all.  
 Good idea Louie!
